DRESS CORDS & TASSELS

The image displays six distinct styles of fringed epaulettes, which are decorative shoulder ornaments. They are arranged in two rows of three. The top row features three gold-colored epaulettes: the left one has a wide, flat top; the middle one has a circular top with a red center and a gold ring; the right one has a tall, conical top. The bottom row features three more: the left one has a gold top with an anchor emblem; the middle one is entirely red with a braided top; the right one has a dark blue top with a red band. All epaulettes have a dense fringe of cords or threads hanging from the bottom. A faint, repeating watermark of a crest is visible in the background.
